

Child supervision

Owing to the limited number of personnel, the responsibility of supervising children remains that of their parents or other responsible adults except in the tournaments rooms.

If this is your child's first chess tournament, we recommend you remain on site until your child is settled and preferably for the whole day, as chess tournaments can be quite tiring for children not used to them.

The tournament is organised by those with experience of dealing with children and running chess tournaments.

Getting there

Directions can be found from:

Cowley Place is a turning off the roundabout at the junction of Iffley Road (A4158), St Clements (A420) and Magdalen Bridge.

Car Parking

A limited amount of car parking is available on the site but please share car transport if possible as the local residents would appreciate less traffic.

On arrival will children and parents please report to the main entrance to the dining hall where children and will be registered and issued with name badges. Parents staying on site will be issued with passes. Immediately after registration please wait in the school canteen. Children will be called to the playing areas at 9.55 or shortly afterwards.

Tea and coffee will be available and some limited refreshments. We recommend that children bring a packed lunch and also a drink. Please also let us know if you can help with refreshments.

Qualifying

The event is a qualifying event for the London Junior Chess Championships (www.ljcc.co.uk).

In the main U8 section, players scoring 4 points or more will qualify for the London U8 Championships.

In the main U10 and U12 sections, players scoring 4½ points or more will qualify for the major sections in the London Junior Championships. Players scoring 3½ or 4 points will qualify for the minor sections in the London Junior Championships.

There are no qualifying events for the other sections.

Late registrations

In previous years late registrations have caused problems at the start of the tournament. This year we will not treat an entry as being received until the entry fee has been paid. In particular if you enter by email you must send the entry fee by post if you wish to avoid late entry surcharges. Late entries will not be accepted after 9.45am on the day of the tournament and we cannot guarantee children who have already entered a place in the tournament if they arrive after 9.50am.

Qualification for Entry

Players should know how to move the pieces and be under 18 on 1st September 2011.

Late arrival for any round

Players arriving after the re-pairing time of any round may be deemed to have lost by default, unless the controller can pair them satisfactorily.

Players whose opponents have not arrived must expect to be re-paired.

Entry fee and Late fees

At £7, the entry fee is lower than for most tournaments, in order to encourage players new to chess to attend.

A surcharge of £3 is payable for any entry postmarked after 1th November 2011 and if you enter on the day an additional £3 will be added. Entries are not valid until payment is received. Late entries are extremely inconvenient – please do not leave it to the last moment!

Tournament System

The tournament will be run using a SWISS system. For those not familiar with the system; if your child loses their first round, they are almost certain to play someone else who has lost their first round.

Thereafter, they play people on roughly equal points to them. The advantage of this system, is that very quickly children end up playing others of the same ability and the likelihood of your child losing all his/her matches is very low.

Photographs

The OCA would like to take photographs of competitors on the day for publication on their website: If you object to this, please let us know before the tournament.

Emergency Contact Numbers

During the tournament if you need to contact us in an emergency, Alan Kennedy's mobile will be left on: 07834-356-919. Please make sure that you put your 6th November contact telephone number on the entry form.

Queries

If you have any questions please give Alan Kennedy a call on: 01993-705-542 or 07834-356-919. Email queries can be sent to Jon D'Souza-Eva: jon.dsouzaeva@gmail.com.
