

Oxford and District Chess League

GRADERS REPORT 2023-2024

Results have been received and submitted to the ECF as shown. Feedback now only tells me about new players that were assigned ECF codes. The Oxford League and Chiltern Leagues were submitted on the dates shown. Results submitted to the OCA results database before those dates are included in each submission.

Results from other events including Kidlington and Witney were submitted independently.

Player identification is always a key issue and clubs are reminded that it is better to give a player's given name rather than just an initial. I can cope with misprints better if there is a name to work with.

There have been several instances where the name of a player in the database differs from that in the ECF database: most commonly, shortened Christian names or extra initials. Steps have been taken to bring things into line.
